District's Rescheduled Water Policy

Water users are reminded that the District's Rescheduled Water Policy provides that any loss of Rescheduled Water will be apportioned in the following order and manner (without regard to water type):

- 1) Any remaining Rescheduled Water in excess of the Acreage Based Cap which is 0.5 acre-feet per irrigable acre.
- 2) Water rescheduled by the District.
- 3) Remaining Rescheduled Water.
- 4) Delivered Rescheduled Water in excess of the Acreage Based Cap.
- 5) Delivered Rescheduled Water within the Acreage Based Cap.

Also of note, the policy states that for any water lost water users shall pay all water costs that the District incurs (e.g., acquisition costs, purchase premiums, etc.), any applicable District rates, the San Luis & Delta-Mendota Water Authority O&M rate and Reclamation's rescheduling fee.

The District's Board of Directors has the authority to modify the District's Rescheduling Water Policy in order to respond to extraordinary circumstances or to be consistent with changes to Reclamation's Rescheduling Guidelines.
