

**Westlands Water District**  
**Expanded Irrigation System Improvement Program/ P3 Grant**  
**Water User’s Bidding Procedures**  
**Check List**

**PLEASE NOTE:** *In order to facilitate the District’s standard purchasing procedures, please follow the steps outlined below. Failure to do so, could delay the purchase of your equipment.*

CHECK

- 1. Water User submits EISIP/P3 Application. \_\_\_\_\_
- 2. Upon approval of Application, Water User is notified by the District and given authorization to begin bid process. \_\_\_\_\_
- 3. Water User must contact District’s Purchasing Department @ (559) 241-6209 to obtain a Request for Quotation (RFQ) number and District Bid Package. Purchasing will be available to answer any questions and assist in the bidding process as needed. \_\_\_\_\_
- 4. Obtain system design and/or specifications to be used to develop equipment list for bidding. All bidders must bid on the same equipment list. (Open Designer’s list included in packet for informational purposes). \_\_\_\_\_

**NOTE:** Aluminum specifications must include a permanently stamped or marked identification on all joints in a method acceptable to the District. Joints to be marked with “WWD21EISIP5592241523.”

- 5. Please note funding of equipment for ***PWRPA P3 projects only*** must meet requirements as stated in the EISIP/P3 grant program. \_\_\_\_\_
- 6. Assemble bid packages for distribution to vendors who have been selected from the District’s Open Vendor List. Bid packages must include: The Bid Submittal Form, Instructions to Bidders and General Conditions, Contract Agreement, Non-Collusion Declaration Form, system design drawing with equipment list and/or specifications. \_\_\_\_\_
- 7. The three bids submitted to the District for review must include: The Bid Submittal and Non-Collusion Forms, completed by the vendor, and an itemized equipment list. \_\_\_\_\_

**ALL COPIES SUBMITTED MUST BE ORIGINALS**  
**NO FASCIMILE COPIES**

- 8. After receiving the lease from the District, sign and return lease along with down payment. Landowner signatures must be notarized. Notary services are available at the District’s Fresno office. \_\_\_\_\_  
  
**NOTE:** The District ***WILL NOT*** execute a contract with a vendor for irrigation system equipment until the lease has been executed with the water user and the required Certificate of Insurance is on file with the District. For information on insurance requirements, reference Program Description or the Irrigation Equipment Lease – Purchase Contract, Paragraph 15
- 9. Upon receipt of equipment from the vendor, the water user must sign the District’s Delivery Verification Form which will be submitted with the vendors’ invoice(s). The form must be signed by the water users authorized representative that executed the lease contract. \_\_\_\_\_

### Exhibit A

## BID SUBMITTAL FORM

### Westlands Water District

Expanded Irrigation System Equipment /P3

Request for Quotation No. \_\_\_\_\_

Equipment Installation Location: \_\_\_\_\_

The Board of Directors of Westlands Water District approved a low interest loan program that is designed to improve water management and shallow groundwater conditions within the District and shorten the time required to implement irrigation improvements. The program, called the Water Conservation through Irrigation System Improvement Program, will be used by the District to purchase from the lowest responsible vendor, new Irrigation System Equipment that will then be leased to the participating District water user.

The undersigned hereby declares, as bidder, that he has read the Instructions to Bidders and General Conditions and agrees to all the stipulations contained therein; that he has examined the form of Contract Agreement and he agrees that if his bid is accepted, he will contract to furnish the equipment within 45 days; and that he will accept as payment therefor, the total bid amount as stated on this Bid Submittal Form. Said bid amount is to cover the furnishing of all materials in the manner set forth and described in the Instructions to Bidders and General Conditions.

REQUEST FOR QUOTATION NO. \_\_\_\_\_

## IRRIGATION SYSTEM EQUIPMENT

### INSTRUCTIONS TO BIDDERS AND GENERAL CONDITIONS

1. Bids shall be submitted on the form provided by quoting the applicable total bid amount.
  2. Quotations not submitted on the Bid Submittal Form may be rejected.
  3. Quotation must be signed by bidder or his authorized representative, and when so signed shall constitute bidder's offer to furnish Irrigation System Equipment (hereinafter called "equipment") upon the terms set forth in the Instructions to Bidders and General Conditions, and Contract Agreement.
  4. Use ink or typewriter. Do not use pencil.
  5. Appropriate sales tax shall be added in the space provided. Sales tax to be calculated based on the New Sales and Use Tax Exemptions as determined by the State Board of Equalization for "Qualified Purchases" paid for after September 1, 2001. The exempt portion is only from the state general fund portion of the sales and use tax rate (currently 5.00%). All other local and district taxes remain taxable.
  6. Contract Award: The District reserves the right to: (a) reject any or all bids, or (b) award to the lowest responsible bidder whose bid substantially meets the requirements and reject all other bids, or (c) in the event the lowest responsible bid varies substantially from the requirements, reject all bids, and award the contract to the lowest responsible bidder whose bid substantially meets those requirements. The District also reserves the right to waive any informality or irregularity in a bid or bids.
  7. Bidder Qualifications: The District reserves the right to require any bidder to submit a statement of facts in detail as to its business and technical organization. Also, the District may require evidence that the bidder has sold and had in successful operation equipment of like Specifications.
- The District reserves the right to reject any bid of a bidder if it is determined that a bidder's business and technical organization, financial, or other resources or experience are such that he is not sufficiently qualified to furnish the equipment.
8. Nonwaiver: Failure of the District to insist upon strict performance of any of the terms and conditions hereof, or delay or failure to exercise any right or remedies provided herein or by law or to properly notify Contractor in the event of breach, or the acceptance of or payment for any equipment or services hereunder shall not release Contractor of any of the warranties or obligations of the contract, and shall not be deemed a waiver of any right of the District to insist upon strict performance of the contract or any of its rights or remedies as to any such services, regardless when the equipment was shipped, received, or accepted, or as to any prior or subsequent default hereunder, nor shall any purported oral modification of rescission of the contract by the District operate as a waiver of any of its terms.
  9. No Assignment: The Contractor shall not assign, transfer, or otherwise dispose of the contract, or his right, title, interest in or to the same or any part thereof, or any work hereunder or any claim arising therefrom without the prior consent, in writing, by the District's General Manager or his authorized representative.
  10. Compliance with Law and Regulations: Contractor warrants that the equipment shall be manufactured in strict compliance with the applicable sections, latest editions, and addenda of government regulations, codes, and industry standards. All laws and regulations required to be incorporated in agreements of this character are hereby incorporated herein by this reference.

11. Applicable Law and Jurisdiction: In the event of any litigation arising hereunder, at the request of the District, the Contractor will submit to the jurisdiction of a court of competent jurisdiction within the State of California and will comply with all the requirements necessary to give such court jurisdiction, and that all matters arising hereunder shall be determined in accordance with the law of the State of California and the practice of such court. Service of process in any such litigation may be made in the manner provided for in Section 415.40 of the California Code of Civil Procedure or in any other manner provided for in said Code for service upon a person outside of the State of California.

12. Patent Infringement: Contractor shall indemnify and save harmless the District from and against all costs, damages, and expenses incurred by the District in connection with any claims or actions based upon infringement or alleged infringement of any patent arising out of the District's purchase and use of the equipment furnished hereunder, provided that such infringement is not as a result of any misuse of the equipment. If the District is prohibited, or in the opinion of the Contractor is likely to be prohibited from using all or any portion of such equipment because of alleged patent infringement of the Contractor, the Contractor shall provide comparable replacement equipment.

13. Prime Contractor Responsibility: If any bid includes equipment or services provided by other firms, it will be mandatory for the contractor to act as prime contractor and be the sole point of contact with regard to contractual matters.

14. Risk of Loss or Damage: The Contractor shall assume all risks of loss or damage to the equipment during its transportation to the F.O.B. destination. F.O.B. destinations for delivery shall be indicated at the time of order.

15. Force Majeure: Except for defaults of subcontractors, neither party shall be responsible for delays or failures in performance resulting from acts beyond the control of the offending party. Such acts shall include, but shall not be limited to, acts of nature, strikes, lockouts, riots, acts of war, epidemics, governmental statutes or regulations superimposed after the fact, or auxiliary functions or utilities which are provided by a party outside of this contract. If a delay or failure in performance by the Contractor arises out of a default of its subcontractor, and if such default arises out of causes beyond the control of both the Contractor and subcontractor, and without the fault of negligence of either of them, the Contractor shall not be liable for damages for such delay or failure unless the equipment or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit the Contractor to meet the required delivery date.

16. Conflict with Existing Law: If any provision of the contract is found to be illegal or unenforceable, such term or provision shall be deemed stricken and the remainder of the contract shall remain in full force and effect. Either party having knowledge of such term or provision shall promptly inform the other of the presumed nonapplicability of such provision. Should the offending provision go to the heart of the contract, the contract shall be terminated in a manner commensurate with the interests of both parties, to the maximum extent reasonable.

17. Transportation Responsibility: All equipment shall be furnished on an "F.O.B." destination basis. The Contractor is responsible for all freight, crating, rigging, unloading, and other incidental costs necessary to accommodate delivery of the equipment.

18. Returns: Within 30 days of purchase thereof by the District, the District shall have the right to return to the Contractor, freight collect and without prior authorization from the Contractor, any over shipments or equipment shipped in error.

19. Inspection: Equipment furnished by Contractor hereunder shall be subject to inspection and approval by the District. The District reserves the right to reject and return, at Contractor's expense, equipment which is defective or not in compliance with specifications. Defects or other failure shall not be deemed waived by the District's failure to notify Contractor upon receipt of the equipment, or by payment of invoices. The inspection of the equipment by the District does not relieve the Contractor from any responsibility to meet the contract requirements regarding defects or other failures which may be discovered prior to acceptance. Except as otherwise provided herein, acceptance by the District shall be conclusive, except as regards latent defects, fraud, or such gross mistakes as amount to fraud.

20. Payment: Invoices shall be mailed to: Accounts Payable, Westlands Water District, P.O. Box 6056, Fresno, CA 93703-6056. Invoices received by the 5<sup>th</sup> day of the month will be paid no later than the 21<sup>st</sup> day of the month. Invoices received after the 5<sup>th</sup> day of the month will be paid no later than the 21<sup>st</sup> day of the following month. The Contractor's standard invoice payment terms shall not be accepted as a condition of payment. All payments by the District shall be net invoice amount.

21. Equal Employment Opportunity:

(a) The Contractor shall not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin. The Contractor shall take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, sex, or national origin. Such action shall include, but not be limited to, the following: employment upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training including apprenticeship. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the District setting forth the provisions of this Equal Opportunity clause.

(b) The Contractor shall, in all solicitations or advertisements for employees placed in or on behalf of the Contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, or national origin.

(c) The Contractor shall send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice, to be provided by the District advising the labor union or worker's representative of the Contractor's commitments under this Equal Opportunity clause, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(d) The Contractor shall comply with all provisions of Executive Order No. 11245 of September 24, 1965, as amended by Executive Order No. 11375 of October 13, 1967, and of the rules, regulations, and relevant orders of the Secretary of Labor.

(e) The Contractor shall furnish all information and reports required by Executive Order No. 11246 of September 24, 1965, as amended by Executive Order No. 11375 of October 13, 1967, and by the rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

(f) In the event of the Contractor's noncompliance with the Equal Opportunity clause of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part, and the Contractor may be declared ineligible for further District contracts in accordance with procedures authorized in Executive Order No. 11246 of September 24, 1965, as amended by Executive Order No. 11375 of October 13, 1967, and such other sanctions may be imposed and remedies invoked as provided in Executive Order No. 11246 of September 24, 1965, as amended by Executive Order No. 11375 of October 13, 1967, or by rule, regulations, or order of the Secretary of Labor, or as otherwise provided by law.

(g) The Contractor shall include the provisions of Paragraphs 24(a) through 24(f) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to Section 204 of Executive Order No. 11346 of September 24, 1965, as amended by Executive Order No. 11375 of October 13, 1967, so that such provisions will be binding upon such subcontractor. The Contractor shall take such action with respect to any subcontract or purchase order as the District may direct as a means of enforcing such provisions, including sanctions or noncompliance; Provided, however, that in the event the Contractor becomes involved in, or is threatened with, litigation with a subcontractor as a result of such direction by the District, the Contractor may request the United States to enter into such litigation to protect the interest of the United States.

22. During the performance of this agreement, the Contractor and its subcontractors shall not unlawfully discriminate, harass or allow harassment against any employee or applicant for employment because of sex, color, ancestry, religious creed, national origin, physical disability, (including HIV and AIDS), mental disability, medical condition (cancer), age (over 40), marital status, and denial of family care leave. The Contractor and its subcontractors shall insure that the evaluation and treatment of their employees and applicants for employment free of such discrimination and harassment. The Contractor and its subcontractors shall comply with the provisions of the Fair Employment and Housing Act (Government Code, Section 12900 et seq.) and the applicable regulations promulgated thereunder (California Administrative Code, Title 2, Section 7285.0 et seq.) the applicable regulations of the Fair Employment and Housing Commission implementing Government Code, Section 12990 (a-f), set forth in Chapter 5 of Division 4 of Title 2 of the California Code of Regulations are incorporated into this contract by reference and made a part hereof as if set forth in full. The Contractor and its subcontractors shall give written notice of their obligations under this clause to labor organizations with which they have collective bargaining or other agreement.

23. Default: If the Contractor does not furnish the equipment within the time specified within the Specifications, the District may, by written notice to the Contractor, terminate his right to proceed. Thereafter, the District may acquire comparable equipment and the Contractor shall be liable for any resulting excess cost to the District. If the District does not terminate the Contractor's right to furnish the equipment, he shall continue the work and shall be liable to the District for any liquidated damages inasmuch as the District will suffer actual damages which will be extremely difficult and impracticable to fix if the equipment is not delivered by the date which has been specified. Contractor shall not, however, be liable for delays which are beyond his control as provided in Paragraph 18. In the event of such delays, the date by which the equipment is to be delivered shall be extended for the period of time actually lost because of the delay.

24. Warranty: Contractor expressly warrants that the equipment and all its components, assemblies, parts, and materials (1) will be free from defects in workmanship and materials, and (2) will be free and clear of all liens and encumbrances. Contractor hereby warrants to the District good and merchantable title thereto. All of said warranties shall run to the District, and its successors, assigns, and customers. All of said warranties shall be construed as conditions, as well as warranties, and shall not be deemed to be exclusive of other warranties, expressed or implied.

25. Non-Discrimination Clause: During the performance of the Contract, Contractor and its subcontractors shall not unlawfully discriminate against any employee or applicant for employment because of race, religion, color, national origin, ancestry, physical handicap, medical condition, marital status, age (over 40), or sex. Contractors and subcontractors shall insure that the evaluation and treatment of their employees and applicants for employment are free of such discrimination. Contractors and subcontractors shall comply with the provisions of the Fair Employment and Housing Act (Government Code, Section 12900 et. seq.) and the applicable regulations promulgated thereunder (California Administrative Code, Title 2, Section 7285.0 et. seq.). The applicable regulations of the Fair Employment and Housing Commission implementing Government Code, Section 12990, set forth in Chapter 5 of Division 4 of Title 2 of the California Administrative Code are incorporated into the Contract by reference and made a part hereof as if set forth in full. The Contractor and its subcontractors shall give written notice of their obligations under this clause to labor organizations with which they have a collective bargaining or other agreement. The Contractor shall include the nondiscrimination and compliance provisions of this clause in all subcontracts to perform work under the contract.

26. Hold Harmless: To the fullest extent permitted by law, Contractor agrees to defend, indemnify and hold harmless the District, its directors, officers, employees or authorized volunteers from all claims and demands of all persons arising out of the performance of the work or the furnishing of equipment; including but not limited to, claims by the Contractor or Contractor's employees for damages to persons or property except for the sole negligence or willful misconduct of its directors, officers, employees, or authorized volunteers.

27. Insurance: Contractor will file with the District before beginning work, certificates of insurance and policy endorsements satisfactory to the District evidencing general liability coverage, of not less than \$1,000,000 per occurrence for bodily injury, personal injury and property damage; auto

liability of at least \$1,000,000 for bodily injury and property damage each accident limit; workers' compensation (statutory limits) and employer's liability of \$1,000,000; requiring 30 days (10 days for non-payment of premium) notice of cancellation to the District. Any insurance, self-insurance or other coverage maintained by the District, its directors, officers, employees, or authorized volunteers shall not contribute to it. The general liability coverage shall give the District, its directors, officers, employees, or authorized volunteers insured status using ISO endorsement CG2010, CG2033, or equivalent. In the event that the Contractor employs sub-contractors as part of the work covered by the contract, it shall be the Contractor's responsibility to require and confirm that each subcontractor meets the minimum insurance requirements specified above.

28. The District hereby notifies all bidders that it will affirmatively ensure that, for any contract entered into pursuant to this Request for Quotation, disadvantaged business enterprises will be afforded full opportunity to submit proposals in response to this invitation and will not be discriminated against on the grounds of race, religion, sex, color, national origin, age, or disability in consideration for an award.

**WESTLANDS WATER DISTRICT**

**CONTRACT AGREEMENT**

**EISIP/P3 IRRIGATION SYSTEM EQUIPMENT**

THIS AGREEMENT is made and entered this \_\_\_\_ day of \_\_\_\_\_, 2021, by and between the WESTLANDS WATER DISTRICT, a local public agency of the State of California, hereinafter designated as the District, and \_\_\_\_\_, hereinafter designated as the Contractor.

WITNESSETH: That the parties hereto do mutually agree as follows:

ARTICLE I. The Contract Documents for Request for Quotation No. \_\_\_\_\_, consisting of the Instructions to Bidders and General Conditions and the Bid Submittal Form, are hereby incorporated in and made a part of this Agreement.

ARTICLE II. For and in consideration of the payment amount of \$ \_\_\_\_\_ to be made by the District, the Contractor agrees to furnish at his own cost and expense all equipment, and material necessary and to do everything required by the Contract Documents.

ARTICLE III. For the furnishing of materials, and equipment, and doing all the work contemplated and embraced in this Agreement; the District will pay and the Contractor shall receive as compensation therefor the total bid amount named on the Bid Submittal Form.

ARTICLE IV. The District hereby employs the Contractor, to provide the Irrigation System Equipment per the Bid Submittal Form herein referred to, for the payment amount aforesaid, and the District agrees to pay the same at the time, in the manner and upon the conditions set forth in the Contract Documents.

IN WITNESS, WHEREOF: The parties hereto have caused this contract to be executed the day and year first above written.
