EQUIPMENT OPERATOR-APPRENTICE

Please submit responses to the following questions along with your employment application no later than the filing deadline. Your responses should be numbered and addressed on a separate sheet of paper.

Describe your experience in the following areas:

1. Using heavy equipment, crane, and excavation safety procedures in the field.

2. Using portable air compressors, pumps, arc and gas welding equipment, spray equipment, and pneumatic power and hand tools.

3. Reading pipeline plan and profile drawings.

4. Working in water pipeline and water distribution facility construction or industrial repair work.

5. Do you currently possess a valid California Driver’s License, Class A, with an air brake endorsement? □ Yes □ No

If no, will you be able to obtain a Class A within the required deadline? □ Yes □ No

6. After reviewing the Notice of Job Opening, are you able to perform the essential functions of the position without reasonable accommodations? □ Yes □ No

If no, please describe the type of accommodations needed:

7. The District’s conditional offer of employment includes your legal ability to work in the United States, passing a medical examination, which will include a drug screening, and verification of your employment history, education, training, and any licensing requirements.

Do you foresee any issue to any of the above? □ Yes □ No

If yes, please provide explanation:

Your submission of the information provided in the Supplemental Application certifies that it is true and correct to the best of your knowledge. You understand that any misrepresentation or falsification of information may result in failure to receive an offer of employment, or if you were hired, may result in discharge of employment. You agree that any of the statements you have made herein may be verified by Westlands Water District.
