

Westlands
Water District

Westlands Water District is Hiring a:

Equipment Mechanic or Automotive Mechanic

Equipment Mechanic

Annual Salary Range: \$65,232 - \$79,296

Department: Fleet Services

Applications Accepted: June 27, 2024 – July 18, 2024

Minimum Qualifications

Education and Experience:

Possess a United States' high school diploma or General Equivalency Diploma (GED) and five (5) years of experience as a heavy equipment mechanic supplemented by specialized training in maintenance and repair. The individual hired for this position must possess a California Class A Driver's License with air brake endorsement or must obtain within six (6) months of assignment.

Standard Requirement:

Possess a valid California Class C Driver's License along with a driving record that is acceptable to the District's automobile insurance.

Position Summary

The primary duties of the Equipment Mechanic include but are not limited to, servicing and repairing air conditioning systems with appropriate and applicable coolant, maintaining and servicing shop equipment such as stationary fuel pumps, steam cleaners and high-pressure washer, pneumatic air equipment for lube room, and auto shop hoist. Performs monthly safety inspections on trucks/trailers rigs, and data entry of approval inspection sheets, as required by the California Highway Patrol Partners in Compliance (PIC) Program. Use computer-based resources such as, but not limited to Mitchel Pro Demand, OBD 2 Scan Tools, and other online resources.

Automotive Mechanic

Annual Salary Range: \$56,532 - \$68,508

Department: Fleet Services

Applications Accepted: June 27, 2024 – July 18, 2024

Minimum Qualifications

Education and Experience:

Possess a United States' high school diploma or General Equivalency Diploma (GED) and five (5) years of experience as a heavy equipment mechanic supplemented by specialized training in maintenance and repair. The individual hired for this position must possess a California Class A Driver's License with air brake endorsement or must obtain within six (6) months of assignment.

Standard Requirement:

Possess a valid California Class C Driver's License along with a driving record that is acceptable to the District's automobile insurance.

Position Summary

The Primary duties of the Automotive Mechanic include, but are not limited to, performing predictive and preventive maintenance work and overhauls various engines, transmissions, differentials, steering systems, brakes, automotive vehicles, and light truck utilizing testing and diagnostic instruments. Inspects and diagnoses mechanical and electrical malfunctions in automotive vehicles, light trucks, and various heavy-duty, portable, and stationary engines; repairs or replaces defective or worn parts and accessories, which may include the use of acetylene or arc welding equipment. This position may be eligible for promotion to Equipment Mechanic, contingent upon meeting the minimum qualifications for Equipment Mechanic and possession of a California Class A Driver's License with air brake endorsement.
